Coming soon from Anime Works!! After building his grandson a robot he hoped would be a big brother, our hapless scientist finds out the true meaning of split personality.

Rurouhi Kenshin - Wandering Samurai

Our saga begins over ten years after the bloody Meiji Revolution that marked the end of the Shogun and the Samurai in Japan. In Tokyo, where swords with blades have been banned, Kaoru bumps into the wandering Kenshin while looking for the man that is tarnishing the name of her fencing school. This proves to be the beginning of a long, exciting adventure for her – a master swordsman with a reverse-blade sword, and a heart of gold. Now the adventure starts as we are thrust into an era long gone, not only of blades and duels, but where honor and reputation were still a person's most prized possessions.
